Made with Sustainable
SyncrylicTM

Programmable LED Lighting in the footwell allows up to 9 color control options

Adjustable fountain with built-in LED back lighting

Crossover 730S

The Crossover 730S is Dream Makers Spas' plug and play ready 6-7 person spa with contoured bucket seats and 30 directional jets providing individual water pressure control. With a SyncrylicTM unibody construction that is virtually indestructible, this energy efficient model comes with a Weather Shield Super Seal Cover, digital controls, Easy Kleen/Convex2 Filtration plus an adjustable backlit water fountain, 8 exterior LED corner lights, and an LED underwater light all synchronized with up to 9 programmable color options. You gain all the benefits of a luxury spa at a fraction of the price. This beautiful, easy to install, lightweight, design makes the 730S perfect for personal relaxation or entertaining both day and night.
